When the screen resolution changes, the data in the "Records" tab is displayed incorrectly.

Attach   Add a child issue   🔗 Link issue ⌄   ...

Description

When the screen resolution changes, the data in the "Records" tab is displayed incorrectly. Descriptions overlap with the category name.

Steps to reproduce:

1. Open the page Budget Management App
2. Click "Records" tab on the left side of the page
3. Change the screen resolution (for example 700px x 959px)

**Expected result:**

Descriptions do not overlap with the category name. Descriptions appear to the right of the category name.

Actual result:

Descriptions overlap with the category name.
